Class of 2019 Information

Dear Raider Families:

We received our survey results the end of last week and have started new work around your feedback! As we get further into the data, our action plans will expand, but I wanted to quickly answer some concerns that came up the most frequently for our parents and students.

1. Raider Way Expansion - Scheduled to begin this summer! The plans include wide sidewalks for walkers/bike riders. We are currently evaluating our traffic patterns to streamline drop-off, pick-up, and student parking traffic for next year.
2. Vaping - Vaping continues to be an issue nationwide and one we take seriously at Rouse. With the help of PTSA and our Graphic Design Team, Rouse has started the process of developing a proactive approach (in addition to our current discipline response) to student vaping. Graphic Design is researching and producing public service information posters to inform our students of the health risks associated with vaping. The PTSA Executive Board is also exploring the possibility of bringing guest speakers for parents and students. While our administrative team continues to address each situation as we are made aware, we rely on our Rouse community to report these concerns via Anonymous Alerts. More information on how our district is approaching the vaping epidemic can be found on the LISD knowledge base: <http://support.leanderisd.org/support/e-cigarettes/>.
3. Parking Lot Lighting for early and late extra-curricular activities - I am partnering with our district facilities department for extended hours on our light programming.

Thank you Raider Nation!

mLISD News

Leander Mobile Learning Initiative (mLISD) supports the vision outlined in our Graduate Profile that "Leander ISD students are well prepared to enrich our world and excel in a global society" and that "each student is challenged, encouraged, and supported to achieve the highest level of knowledge, skills, and character" in a digital world.

Once again this year, students who are currently participating in the mLISD program have the option to keep their district devices over the summer. Students can begin to pay the support fee of \$70 (\$35 for students on free/reduced lunch) from April 1st through May 19th. Scholarship opportunities are available and the application can be picked up in the counseling office.

Payment will be accepted for the 2019-2020 school year starting April 1st. For credit card payments, click [HERE](#) to sign-up and pay. For cash or money order, bring the payment and the completed [Student and Parent Acceptance Form](#) to the front office.

Personal and cashier's checks are not accepted.

Sign-up and pay the 2019-2020 mLISD fee and your child be able to keep their device over the summer. Click [HERE](#) for more information on mLISD.

Assistant Principal's Message:

Regarding meals/food:

As stated in the High School Handbook, page 18: 'during meals, students are permitted only in designated areas. Students are not allowed to have food delivered to school from commercial establishments.'

Parents may provide food for their own child's consumption, they may not provide food items for other students.

Deliveries for students from Commercial Establishments:

In order to not interrupt the educational environment of our students, all attempted student deliveries from commercial establishments will be returned to the delivering establishments (ie: Uber deliveries, Tiff's Treats, Florists, etc.)

Dress Code:

We want to partner with you to ensure that Rouse is a learning environment that helps students grow academically, while also preparing them for the working world. As adults, we abide by dress codes at our workplaces everyday. Students at Rouse also need to abide by the LISD dress code. Last week, the APs met with each grade level and reminded them of the LISD dress code expectations. This week we are noticing many students are still not adhering to the dress code. We are asking for your help in reminding your child of the appropriate dress code expectations.

- Shorts, skirts, and skorts must be fingertip length
- Shirts should meet the beltline- no midriffs showing
- No strapless tops, spaghetti-straps, backless, halter, tube tops, or off the shoulder shirts
- Hats are not allowed in the academic halls or classes
- Bandanas are not allowed to be worn
- No clothing that depicts messages of hate, violence, guns, drugs, alcohol, or drugs

LISD Dress Code: <https://tinyurl.com/yaaspzuz>

Item Drop-off:

We would like to also encourage your student to come to school with everything they need for the day. This includes lunch/lunch money, school supplies, homework, athletic equipment, etc. However, we understand that occasionally the need arises to drop off an item. Therefore, we have a table in the Reception Office for this purpose. To minimize disruption of instructional time, we are no longer able to send a pass to your student to retrieve items left on the table. After dropping off items in the front office, parents will need to communicate via text, email, or by calling your student to let them know they have something to pick-up.

FROM OUR DEAN OF INSTRUCTION:

Senior Parents!! Senior year is quickly winding down and we have a few updates about RHS Project Grad '19!!

We have one more big fundraiser coming up in a few weeks! Please see the information on the website about our Raider Fitness Challenge!!

Also, you can find the link to the registration page for our celebration at Austin's Park and Pizza!! This has to be downloaded, printed, filled out and turned in to the AP's office by May 24, 2019! It will be a fun night that includes food, a hypnotist, bumper boats, mini golf, laser tag, go karts, climbing walls, bowling, video games, and a 7D motion theater!!

Also, if you've not been able to attend any meetings or volunteer this year, but feel that you could make a monetary donation to help us, we would absolutely appreciate any amount you could give!! We are still trying to raise \$\$ to make this an extra special night for the kids!! Please find the donation link on the website as well!!

Countdown is on!! Let's finish strong!!

**Thank you,
Rouse Project Grad '19 Committee**

Project Graduation is a safe, alcohol-free and drug-free Senior class party! Project Grad is run 100% by volunteer parents of graduating seniors and funded 100% by donations and contributions. Our goal is to raise money throughout the year so every graduating senior registers to attend the party for free. There are many opportunities to get involved over the course of the year. If you are unable to attend the next meeting, contact Assistant Principal Robert.Syner@Leanderisd.org.

RHS PTSA

Volunteer

Volunteers' tasks are limitless - including such things as tutoring & mentoring students, chaperoning school dances & field trips, helping with our athletic & band booster clubs, helping with textbooks, serving at Teacher Appreciations and helping out in the guidance office.

For the safety of our students, Leander Independent School District requires **all potential volunteers** who plan to **work during the day or evenings** (before, during & after school) supporting any Club/Organization/Sports team, etc. to receive a background check by the Department of Public Safety (DPS). This check will be completed using the Raptor Volunteer Management System.

Here is how someone can become an 'APPROVED' LISD Volunteer:

1. Complete and submit the *NEW* Raptor Volunteer Application:
2. [English](#) | [Español](#)
3. The background check should be complete in 2-3 business days.
4. Once approved, an email will be sent to the volunteer containing their login credentials and account information for their virtual volunteer profile.
5. When the volunteer is needed and it is during the school day, they MUST check-in at the front office and acquire a Volunteer Badge from the Receptionist.
