

Tardy Policy

Parents:

Please be aware of a change in the process for handling tardies for the 2017-18 school year. We believe that students being in class on time has a direct impact on their learning and success in the classroom.

With that in mind, after the 7th tardy for the semester, students will receive a written warning from their Assistant Principal. After the 10th tardy, the student will be placed in a 30-minute detention, and parents will be notified. Every 2 additional tardies will result in doubling the length of detention time assigned.

We are hoping that this process will encourage our students to be in class on time and ready to learn. Thank you.
