BIG PICTURE NIGHT
Rouse High School Spring 2018

6:00-7:00   STUDENT ORGANIZATIONS & ELECTIVE FAIR..................................AUXILIARY GYM
Teachers and students will be available to discuss elective classes and student organizations.

6:30-7:00   AP INFORMATION.............................................................................CAFETERIA
What are the benefits of taking advanced courses? RHS offers a wide variety of
Advanced Placement courses that are taught at the college level, providing rigor and relevance,
and inspire students to challenge themselves as continuous learners.

7:15-8:00   GRADE LEVEL BREAKOUT SESSIONS ........................................SEE BELOW

8TH GRADE .............................................................................................................CAFETERIA
Are you a current 8th grader or 8th grade parent that has questions about high school? The
transition from middle to high school can be overwhelming, so we hope to answer your questions
and provide info to help ease your mind as you prepare for freshman year.

9TH GRADE .............................................................................................................AUDITORIUM
What is a student led parent conference? We will discuss how to sign up for your SLPC,
endorsements and 10th grade course selection. This a great opportunity to ask questions about
your future academic plans.

10TH GRADE ............................................................................................................LECTURE HALL
What is dual credit and how do I sign up for these classes? ACC provides a wonderful opportunity
for students to earn high school and college credit at the same time. Topics include eligibility,
registration process, classes offered, and more.

11TH GRADE .............................................................................................................LIBRARY
Getting ready for senior year can be a breeze with a few tips to give you peace... of mind. In this
session we will go over preparation in the junior year to get ready for 12th grade—selecting the
best course options, college planning, SAT and ACT preparation, and what to look forward to next
year.

12TH GRADE ...........................................................................................................ROOM 1205
What is Project Grad? This session will cover what you need to know to make Project Grad a
successful and safe night for our seniors.
